INFORMATION SHEET

Working with Children Check application

The Safeguarding Children and Young People Policy of the Catholic Archdiocese of Melbourne requires that clergy, employees and volunteers have a current Working with Children Check.

All clergy, employees and volunteers over the age of 18 (with the exception of short-term or one-off volunteers) are required to maintain a current WWCC throughout their involvement in parishes, agencies and entities.

Clergy, employees and volunteers in parish, agency and entity roles represent the Archdiocese and hold a position of trust in our communities, irrespective of whether their role involves direct, indirect or no contact with children and young people.

CAM's blanket approach to Working with Children Checks (WWCC) ensures that we all stand united in creating safe environments for children and young people, and demonstrates our commitment to excluding persons who pose an obvious risk to children and young people.
